# SERMON NOTES

No temptation has overtaken you except what is common to mankind.

---

---

---

And God is faithful; he will not let you be tempted beyond what you can bear.

---

---

---

But when you are tempted, he will also provide a way out so that you can endure it.

---

---

---

The temptations in your life are no different from what others experience. And God is faithful. God will not allow the temptation to be more than you can stand. When you are tempted, he will show you a way out so that you can endure.
