## Reflection:

1. Like the woman at the well, what part of your past is still in your soundtrack today in an unhealthy way?
2. What can you do to face the unflattering parts of your past so you can move forward to a new future?
3. How can you allow the three questions Acuff discusses (Is it true? Is it helpful? Is it kind?) to help you put out a better soundtrack to the world than what we hear often these days?

## THE WOMAN AT THE WELL

*John 4:1-26*

**Look at these two pictures. They may look the same, but there are five things different in the second picture. Circle the differences.**

Jesus met a woman at a well. He asked her for a drink of water. She was surprised when he told her all about life. She had never seen him before but he knew all about her. The woman ran back to town shouting that she had met the Messiah.
