SERMON NOTES & REFLECTION

- Vocation means “to be called.”
- “Calling is where your deep desire meets the world's great need.” – Frederick Buechner
- Three misconceptions of work:
 - To find meaning in work, you have to have fulfillment and satisfaction in the job.
 - Calling only applies to people going into fulltime Christian service.
 - God predestines a single occupation to every single person.

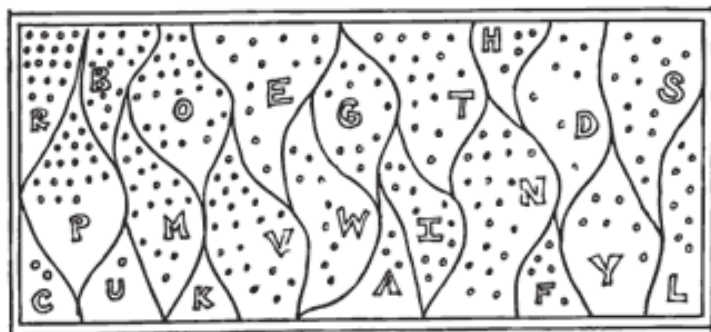

Reflection Questions:

1. Where do your deep desires meet the needs of the world?
2. How can you do better at seeing where you spend the bulk of hours of your day as a sacred calling?
3. How can you use your work to bring glory to God, and thus find meaning?
